**\*Scholarship notes:** PK-9th grade students are usually awarded scholarships to cover **half tuition, full tuition, tuition+ fees**, or the **complete costs** of attending Mayatan. **Sponsors** may choose to cover any part of a student's scholarship and/or any of the other fees associated with attending Mayatan.

**\*\*Cost notes:** Meals, transportation, and uniforms vary widely per student. These are estimated costs. Many students spend considerably less on meals, clothing, and transportation by walking to school, bringing lunch, and taking good care of their uniforms.
